BORDIGNON GROUP

“

We carry out hot-dip galvanizing work with the utmost dedication.

We improve our technical knowledge by experimenting with new solutions. We offer a complete range of services both in Italy and abroad.

”

Giuseppe Bordinon
Founder of Bordinon Group

OUR **NUMBERS:** QUALITY MEASURED

30 TONS

We have the capacity to galvanize large products weighing up to 30 tons.

19 METERS

Our zinc bath is the longest in Europe, allowing us to galvanize products up to 19 meters long.

130.000 TONS

Galvanized each year across four facilities, with a commercial network covering all of Central and Eastern Europe.

+300 HUMAN RESOURCES

Human Resources at Bordignon Group, with specific skills and responsibilities.

250.000 MQ

The production area of our facilities in Italy and abroad.

More than 50 years have passed since Giuseppe Bordignon, after gaining experience in the medium-heavy carpentry sector, began production.

Only galvanized
is **forever**
